

## 37th ALERT Geomaterials Annual Meeting

### List of Participants

| <b>Name</b>                     | <b>Institution</b>                             | <b>Participated in</b>     |
|---------------------------------|------------------------------------------------|----------------------------|
| Gerges Abboud                   | École Nationale des Ponts et Chaussées         | Workshop & Doctoral School |
| Faith Abimaje                   | Karlsruhe Institute of Technology (KIT)        | Workshop & Doctoral School |
| Vincent Acary                   | University Grenoble Alpes                      | Workshop                   |
| Ali Ahmadi                      | Technical University of Clausthal              | Workshop & Doctoral School |
| Lutf Al-Subari                  | RWTH Aachen University                         | Workshop & Doctoral School |
| Alissar Alrifai                 | University Grenoble Alpes                      | Workshop                   |
| Angelo Amorosi                  | Sapienza University of Rome (Italy)            | Workshop                   |
| Michela Arciero                 | Institut Laue-Langevin - ILL                   | Workshop & Doctoral School |
| Abdulmuttalip Ari               | Yildiz Technical University                    | Workshop                   |
| Àngel Augusto Morales Tapia     | Universitat Politècnica de Catalunya           | Workshop                   |
| Mahsa Azizi                     | The University of Sydney                       | Workshop & Doctoral School |
| Mohan Bai                       | Université de Liège                            | Workshop & Doctoral School |
| Aya Bargaoui                    | École Nationale des Ponts et Chaussées         | Workshop & Doctoral School |
| Meron Belachew                  | Université Grenoble-Alpes                      | Workshop & Doctoral School |
| Cecilia Belen Laskowski Orlandi | Universidad Politécnica de Madrid              | Workshop                   |
| Nadia Benahmed                  | INRAE                                          | Workshop & Doctoral School |
| Francois Bertrand               | Université de Liège                            | Workshop                   |
| Debayan Bhattacharya            | IIT Delhi                                      | Workshop                   |
| Mathilde Bonnetier              | University Grenoble Alpes                      | Workshop & Doctoral School |
| Philipp Braun                   | École Nationale des Ponts et Chaussées         | Workshop                   |
| Giuseppe Buscarnera             | Northwestern University                        | Workshop                   |
| Faustine Byron                  | INRAE                                          | Doctoral School            |
| Miguel Cabrera                  | Delft University of Technology                 | Workshop & Doctoral School |
| Martina Carcagni                | Technical University of Bari                   | Doctoral School            |
| Manuel Cardenas Barrantes       | University Grenoble Alpes                      | Workshop                   |
| J Carlos Santamarina            | Georgia Tech                                   | Workshop                   |
| Lady Carolina Castro-malaver    | University Montpellier 2                       | Workshop                   |
| Lady Carolina Castro-malaver    | University Montpellier 2                       | Workshop                   |
| Angela Casarella                | Imperial College London                        | Workshop                   |
| Doré-Ossipyan Catherine         | European Synchrotron Radiation Facility        | Workshop                   |
| Lan Celler                      | Karlsruhe Institute of Technology (KIT)        | Workshop                   |
| Xuanyi Chen                     | University College Dublin                      | Workshop                   |
| Yiming Chen                     | École Nationale des Ponts et Chaussées         | Workshop & Doctoral School |
| Rita Ciaglia                    | University of Salerno                          | Workshop & Doctoral School |
| Adriane Clerc                   | INSA-Lyon                                      | Workshop                   |
| Frédéric Collin                 | Université de Liège                            | Workshop                   |
| Arianna Conte                   | Technical University of Bari                   | Doctoral School            |
| Gary Couples                    | Heriot-Watt University                         | Workshop                   |
| Cyrille Couture                 | University Grenoble Alpes                      | Workshop & Doctoral School |
| Marcin Cudny                    | Gdańsk University of Technology                | Workshop                   |
| Sabatino Cuomo                  | University of Salerno                          | Workshop                   |
| Marie-Amélie Dardoullier        | University Grenoble Alpes                      | Workshop & Doctoral School |
| Felix Darve                     | University Grenoble Alpes                      | Workshop                   |
| Min Deng                        | University College London                      | Workshop                   |
| Ivan Depina                     | Norwegian University of Science and Technology | Workshop                   |
| Jacques Desrues                 | University Grenoble Alpes                      | Workshop                   |
| Prity Dhanai                    | Indian Institute of Technology Delhi           | Workshop                   |
| Fernan Dhareí Villanueva Zavala | École Nationale des Ponts et Chaussées         | Workshop                   |
| Claudio Di Prisco               | Politecnico di Milano                          | Workshop                   |
| Anne-Catherine Dieudonné        | Delft University of Technology                 | Workshop & Doctoral School |
| Jelke Dijkstra                  | Chalmers University of Technology              | Workshop & Doctoral School |
| Jelke Dijkstra                  | Chalmers University of Technology              | Workshop & Doctoral School |
| Andrea Dominijanni              | Politecnico di Torino                          | Workshop & Doctoral School |
| Corentin Donius                 | École Nationale des Ponts et Chaussées         | Workshop & Doctoral School |
| Pablo Dos Santos Cardoso Coelho | University of Alberta                          | Workshop                   |
| Ludovic Druette                 | École Nationale des Ponts et Chaussées         | Workshop & Doctoral School |
| Amirmohammad Fahmi              | INRAE                                          | Workshop                   |
| Jonathan Fannin                 | University of British Columbia                 | Workshop                   |
| Guillaume Flood-Page            | UCLouvain                                      | Doctoral School            |
| David Frost                     | Georgia Institute of Technology                | Workshop                   |
| Raul Fuentes                    | RWTH Aachen University                         | Workshop                   |
| Mattia Garza                    | University Grenoble Alpes                      | Workshop                   |
| Sabine Gehring                  | Karlsruhe Institute of Technology (KIT)        | Workshop & Doctoral School |
| Eleni Gerolymatou               | Technical University of Clausthal              | Workshop & Doctoral School |
| Riccardo Ghelfi                 | Università di Parma                            | Workshop & Doctoral School |
| Angelo Giuseppe Tarullo         | University of Salerno                          | Workshop                   |

## 37th ALERT Geomaterials Annual Meeting

### List of Participants

| <b>Name</b>                 | <b>Institution</b>                             | <b>Participated in</b>     |
|-----------------------------|------------------------------------------------|----------------------------|
| Nemanja Glusica             | Université de Liège                            | Workshop & Doctoral School |
| Jürgen Grabe                | Hamburg University of Technology               | Workshop                   |
| Zi-Ang Gu                   | Karlsruhe Institute of Technology (KIT)        | Workshop                   |
| Claudia Guidolin            | University Grenoble Alpes                      | Workshop                   |
| Diego Gutierrez Oribio      | ENSTA, Institut Polytechnique de Paris         | Workshop & Doctoral School |
| Chao Han                    | University College London                      | Workshop & Doctoral School |
| Siddhartha Harsha Ommi      | École Centrale de Nantes                       | Workshop                   |
| Dorian Hayart               | Université de Liège                            | Doctoral School            |
| Hans Henning Stutz          | Karlsruhe Institute of Technology (KIT)        | Workshop                   |
| Ivo Herle                   | Technische Universität Dresden                 | Workshop                   |
| Maria Honisch               | Innsbruck University                           | Workshop & Doctoral School |
| Tomasz Hueckel              | Duke University                                | Workshop                   |
| Gerald Innocent Otim        | Technical University of Denmark                | Workshop                   |
| Katerina Ioannidou          | University Montpellier 2                       | Workshop                   |
| Milad Jabbarzadeh           | University of Luxembourg                       | Workshop & Doctoral School |
| Pereira Jean-Michel         | École Nationale des Ponts et Chaussées         | Workshop                   |
| Kotori Kakazu               | Kumamoto University                            | Workshop & Doctoral School |
| Mocto Kamdem Jean Jacques   | Université de Liège                            | Workshop & Doctoral School |
| Ana Karine Santos Dantas    | University of Luxembourg                       | Workshop & Doctoral School |
| Minna Karstunen             | Chalmers University of Technology              | Workshop & Doctoral School |
| Yusuf Kayan                 | Politecnico di Milano                          | Workshop & Doctoral School |
| Mhlengi Khaya Luke Masango  | University College Dublin                      | Workshop                   |
| Marzieh Kianimehr           | Technical University of Bari                   | Workshop & Doctoral School |
| Prince Kitembo              | École Nationale des Ponts et Chaussées         | Workshop                   |
| Tatsuki Komatsubara         | Norwegian University of Science and Technology | Workshop & Doctoral School |
| Qinghexing Kong             | Imperial College London                        | Workshop & Doctoral School |
| Ondrej Kryl                 | Charles University in Prague                   | Workshop & Doctoral School |
| Giulia La Porta             | Politecnico di Torino                          | Workshop                   |
| Carlos Laina Gómez          | Universidad Politécnica de Madrid              | Workshop                   |
| Georgia Laskari             | University Grenoble Alpes                      | Workshop & Doctoral School |
| Elise Lefèvre               | Université Libre de Bruxelles                  | Workshop & Doctoral School |
| Jingyi Leng                 | École Nationale des Ponts et Chaussées         | Workshop                   |
| Henri Leroy                 | University Grenoble Alpes                      | Workshop                   |
| Helen Lewis                 | Heriot-Watt University                         | Workshop                   |
| Aoxin Li                    | INRAE                                          | Workshop                   |
| Guangzhi Li                 | University of Tsukuba                          | Workshop & Doctoral School |
| Mengchen Li                 | University of Leeds                            | Workshop                   |
| Mengwei Liu                 | Southern Uni. of Sci. & Tech.                  | Workshop                   |
| Andres Macias               | Universitat Politècnica de Catalunya           | Workshop                   |
| Vanessa Magnanimo           | The University of Twente                       | Workshop                   |
| Bilal Mahmoud Hawchar       | École Nationale des Ponts et Chaussées         | Workshop                   |
| Diego Manzanal              | Universidad Politécnica de Madrid              | Workshop & Doctoral School |
| Lou-Anne Marchadour         | University Grenoble Alpes                      | Workshop                   |
| Ferdinando Marinelli        | University of Naples Federico II               | Workshop                   |
| Pietro Marveggio            | Politecnico di Milano                          | Workshop                   |
| Takashi Matsushima          | University of Tsukuba                          | Workshop & Doctoral School |
| Rosario Mattia Moniaci      | Charles University                             | Workshop                   |
| David Mašín                 | Charles University in Prague                   | Workshop                   |
| Zekeriya Metehan Karslioglu | Technische Universität Dresden                 | Workshop                   |
| Marius Milatz               | Technische Universität Braunschweig - IGG      | Workshop                   |
| Han Ming Lai                | Imperial College London                        | Workshop & Doctoral School |
| Pablo Mira Mc Williams      | Universidad Politécnica de Madrid              | Workshop                   |
| Govind Mishra               | The University of Twente                       | Workshop & Doctoral School |
| Mariagiovanna Moscariello   | University of Salerno                          | Workshop & Doctoral School |
| Zahra Mousavi               | University of Luxembourg                       | Workshop & Doctoral School |
| Luis Mugele                 | Karlsruhe Institute of Technology (KIT)        | Workshop                   |
| Guido Musso                 | Politecnico di Torino                          | Workshop & Doctoral School |
| Benedek Nagy                | University of Strathclyde                      | Workshop & Doctoral School |
| Saeid Nezamabadi            | University Montpellier 2                       | Workshop                   |
| Jens Niclaes                | UCLouvain                                      | Workshop & Doctoral School |
| Francois Nicot              | Université Savoie Mont-Blanc                   | Workshop                   |
| Wenbo Niu                   | Delft University of Technology                 | Workshop & Doctoral School |
| Guillaume Nunes             | INRAE                                          | Doctoral School            |
| Ted O'Hare                  | Arup                                           | Workshop                   |
| Raffaele Orazzo             | University of Naples Parthenope                | Workshop                   |
| Salma Ouafik                | 3SR GRENoble ALPES                             | Workshop & Doctoral School |

## 37th ALERT Geomaterials Annual Meeting

### List of Participants

| <b>Name</b>                 | <b>Institution</b>                                           | <b>Participated in</b>     |
|-----------------------------|--------------------------------------------------------------|----------------------------|
| Benoît Pardoën              | University of Lyon                                           | Workshop                   |
| Manuel Pastor               | Universidad Politécnica de Madrid                            | Workshop & Doctoral School |
| Raphael Pelenc              | 3SR Lab - UGA                                                | Workshop & Doctoral School |
| Yi Pik, Helen Cheng         | University College London                                    | Workshop                   |
| Mehdi Pouragha              | Carleton University                                          | Workshop                   |
| Suganth Priyan Velusamy     | Indian Institute of Science                                  | Workshop                   |
| Jitinun Prommarin           | University Montpellier 2                                     | Workshop                   |
| Jiangmei Qiao               | Wuhan University                                             | Workshop                   |
| Tianxin Qin                 | University College London                                    | Workshop & Doctoral School |
| Franck Radjai               | University Montpellier 2                                     | Workshop                   |
| Dharnyy Ragunathan          | University College London                                    | Workshop & Doctoral School |
| Dharnyy Ragunathan          | University College London                                    | Workshop & Doctoral School |
| Anna Ramon-tarragona        | Universitat Politècnica de Catalunya                         | Workshop & Doctoral School |
| Rafael Rangel               | The University of Twente                                     | Workshop                   |
| Hadrien Rattez              | UCLouvain                                                    | Workshop                   |
| Junfeng Ren                 | École Nationale des Ponts et Chaussées                       | Workshop                   |
| Clément Rey                 | ENSTA, Institut Polytechnique de Paris                       | Workshop & Doctoral School |
| Alan Ribeiro Santos         | ESTP - Grande école d'ingénieurs de la construction          | Workshop & Doctoral School |
| David Riley                 | ENSTA, Institut Polytechnique de Paris                       | Workshop & Doctoral School |
| Fabio Rollo                 | Sapienza University of Rome                                  | Workshop                   |
| Quentin Rousseau            | University Grenoble Alpes                                    | Workshop                   |
| Abdalla Saafan              | Luleå University of Technology, Luleå, Sweden                | Workshop & Doctoral School |
| Alexandre Sac-Morane        | École Nationale des Ponts et Chaussées                       | Workshop                   |
| Hossein Sadighi             | Technical University of Bari                                 | Doctoral School            |
| Amir Saker                  | Université Savoie Mont-Blanc                                 | Workshop & Doctoral School |
| Lorenzo Sanavia             | Università degli Studi di Padova                             | Workshop                   |
| Ilnaz Sarhangi Fard         | Technische Universität Braunschweig                          | Workshop & Doctoral School |
| Claudio Scavia              | Politecnico di Torino                                        | Workshop                   |
| Giulio Sciarra              | École Centrale de Nantes                                     | Workshop                   |
| Alejandro Secades Rodríguez | Innsbruck University                                         | Workshop & Doctoral School |
| Lennart Sekulic             | Institute of Geotechnical Engineering and Construction Manag | Workshop & Doctoral School |
| Vincenzo Sergio Vespo       | Politecnico di Torino                                        | Workshop & Doctoral School |
| Ghassan Shahin              | École Polytechnique Fédérale de Lausanne                     | Workshop                   |
| Luc Sibille                 | University Grenoble Alpes                                    | Workshop                   |
| Mukesh Singh Bisht          | University Grenoble Alpes                                    | Workshop & Doctoral School |
| Hangbiao Song               | Université de Liège                                          | Workshop                   |
| Olga Stamati                | University Grenoble Alpes                                    | Workshop                   |
| Alexandros Stathas          | University of Natural Resources and Life Sciences (BOKU)     | Workshop & Doctoral School |
| Ioannis Stefanou            | ENSTA   Institut Polytechnique de Paris                      | Workshop & Doctoral School |
| Jean Sulem                  | École Nationale des Ponts et Chaussées                       | Workshop                   |
| Alfredo Taboada             | University Montpellier 2                                     | Workshop                   |
| Nilofar Talebi Tavandashti  | École d'Ingénieurs ESTP                                      | Workshop & Doctoral School |
| Criss Talita Zanelli Flores | University Grenoble Alpes                                    | Workshop & Doctoral School |
| Fengwei Tang                | Université de Liège                                          | Workshop & Doctoral School |
| Alessandro Tarantino        | University of Strathclyde                                    | Workshop & Doctoral School |
| Alessandro Tengattini       | University Grenoble Alpes                                    | Workshop & Doctoral School |
| Franz Tschuchnigg           | Graz University of Technology                                | Workshop                   |
| Lynn Turkey                 | INSA-Lyon                                                    | Doctoral School            |
| Sebastian Ullmann           | Technische Universität Dresden                               | Workshop                   |
| Harsha Vardhan Kurugodu     | Indian Institute of Technology Delhi                         | Workshop                   |
| Jean Vaunat                 | Universitat Politècnica de Catalunya                         | Workshop                   |
| Ilija Vego                  | ETH Zurich                                                   | Workshop                   |
| Gioacchino Viggiani         | University Grenoble Alpes                                    | Workshop & Doctoral School |
| Guigonnet Vincent           | Université Savoie Mont-Blanc                                 | Workshop & Doctoral School |
| Claudia Vitone              | Technical University of Bari                                 | Workshop                   |
| Bowen Wang                  | RWTH Aachen University                                       | Workshop & Doctoral School |
| Chencheng Wang              | University College London                                    | Workshop                   |
| Shaohan Wang                | University Grenoble Alpes                                    | Workshop                   |
| Antoine Wautier             | INRAE                                                        | Workshop                   |
| Max Wiebicke                | TU Braunschweig, Institut für Geomechanik und Geotechnik     | Workshop                   |
| Shuoshuo Xu                 | University College Dublin                                    | Workshop                   |
| Fuling Yang                 | National Taiwan University                                   | Workshop                   |
| Zhiqiang Yi                 | Chinese Academy of Geological Sciences                       | Workshop                   |

### 37th ALERT Geomaterials Annual Meeting

#### List of Participants

| <b>Name</b>            | <b>Institution</b>                             | <b>Participated in</b>     |
|------------------------|------------------------------------------------|----------------------------|
| Paraskevi Yiouta-Mitra | National Technical University of Athens        | Workshop & Doctoral School |
| Yang Yu                | Chalmers University of Technology              | Workshop                   |
| Matteo Zerbi           | Politecnico di Milano                          | Workshop                   |
| Hui Zhang              | École Nationale des Ponts et Chaussées         | Workshop                   |
| Xinran Zhang           | University College London                      | Workshop                   |
| Budi Zhao              | University College Dublin                      | Workshop                   |
| Jidong Zhao            | Hong Kong University of Science and Technology | Workshop                   |
| Yubao Zhou             | ENSTA, Institut Polytechnique de Paris         | Workshop & Doctoral School |
| Yunlong Zhu            | Chalmers University of Technology              | Workshop & Doctoral School |
| Jochen Zürn            | Karlsruhe Institute of Technology (KIT)        | Workshop & Doctoral School |
